How Accessibility Becomes a Destination Strategy

Accessibility in Turin is not a one-time achievement — it is a **continuous cycle** of learning, improving and engaging stakeholders at every stage.

A Permanent Tool for Accessible Tourism

Turismabile operates as a **living destination service** — not a static project.
It supports visitors, operators and destination managers year-round.

Key messages

- 1 Accessibility is a destination responsibility
- 2 Accessible tourism is a continuous journey

The most accessible destinations are not those that have removed every barrier, but those that have built a system capable of identifying and removing barriers over time.
