November 14th to November 24th (4 people)

deadline for inscription October 1st

In case you have a bigger group of friend interested in the tour, we can organize a special tour for you on the dates you request. (minimum 4 people)

For reservations, detailed itinerary (day by day), quotes and additional info please contact us at:

info@ecuadorforall.com

Highlights of the tour:

- Ride down the Andes mountain chain into the Amazon region (approx. 30 km)
- Ride down the high part of San Cristobal until you reach the beach, in the presence of sea lions, iguanas and blue footed boobies (approx.. 20 km)
- Kayak through the bay observing marine tortoises, playful sea lions and colorful birds
- Raft down a class II amazon river, discovering the amazing flora of the Amazon
- Hikes through secondary rain forest observing medicinal plants and its uses
- Culture interaction with local native communities in the Amazon
