

③ **Minimize the environmental damage caused by the act of traveling. Reduce carbon emissions and save our planet by preserving nature.**

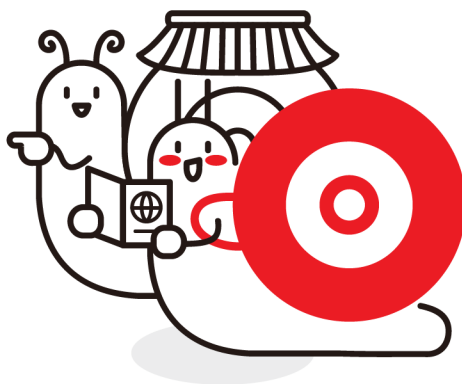

④ **Travel is a right for all. Work so that the socially vulnerable can enjoy their rights to travel and movement.**

⑤ **Practice ethical consumption: make an effort to choose local shops, restaurants, markets and handicrafts.**

⑥ **Respect the rights of workers in the tourism industry, including hotel workers, shop owners and guides.**

⑦ **Travelers and citizens living in travel destinations all deserve to lead happy and sustainable lives.**
